ORIN SWIFT

The history of Orin Swift Cellars dates back to 1995 when on a lark, David Swift Phinney took a friend up on an offer and went to Florence, Italy to spend a semester “studying”. During that time, he was introduced to wine, how it was made, and got hooked. A few more years of university led to graduation and eventually a job at Robert Mondavi Winery in 1997 as a temporary harvest worker. Deciding that if he was going to work this hard, it would eventually have to be for himself, so in 1998 he founded Orin Swift Cellars; Orin is his father’s middle name and Swift is his mother’s maiden name. With two tons of zinfandel and not much else, he spent the next decade making wine for others as well as himself and grew the brand to what it is today.

Mark Ryan WINERY

Mark Ryan McNeilly founded Mark Ryan Winery in 1999 with the goal of making the best wines in Washington State. Largely self-taught, Mark honed the craft of winemaking through rigorous study and the welcomed advice of some of the area’s most experienced producers.

In the early years the winery was transient. The first vintages of Long Haul and Dead Horse were produced crushed and pressed in garages of friends and family, barrels aged in warehouses in the Seattle Area, and finally settling in Woodinville, WA in 2003.

Over a decade later, Mark Ryan Winery has grown in size, earned acclaim from wine-lovers and critics alike, and garnered respect from the state's elite producers. The goal, however, remains the same. Make delicious wines that represent the vineyard from which they come, making every vintage better than the last...

BEHRENS FAMILY WINERY

Behrens Family Winery is a boutique winery in the truest sense. Owned by Les Behrens and Lisa Drinkward, who've made wine under the Behrens & Hitchcock label since 1993, Behrens Family Winery produces small lots of six or seven wines a year at its winery perched high on top of Spring Mountain in Napa Valley. Each wine is a low tech labor of love: crushed into one-ton T-bins, punched down by hand, gently transferred to barrel, and bottled unfiltered and unfiltered. One only has to look at Les and Lisa's hands during harvest to know their wines are truly "hand-crafted." The couple also gravitates toward small, interesting and low-yielding vineyard sites, working with growers who they know, like and trust, and who are as obsessive about quality as they are. For Les and Lisa, it's all about letting the vineyards steal the show, and allowing the wines to speak for themselves.
